I understand that if I cancel this trip, instruction and boat fees are not refundable, unless another person takes my place. I also understand that sailing, snorkeling, hiking and all activities on this out of country sailing vacations have their inherent dangers. I accept these dangers as a part of this adventure and hold Marina Sailing, its employees, owners and event planners free and harmless in the event of any negative event, accident or injury. I understand I will be splitting the costs of the boat with other experienced and inexperienced sailors. The most experienced Marina Sailing member will be the captain and the second most experienced sailor will be the first mate.
