

Marina Sailing Powerboat Fleet

Long Beach

Meridian 408 Motoryacht

This brand new boat has a bright roomy interior, large enclosed aft cockpit and comfortable fly bridge with full strata glass enclosure. This beauty is powered with fuel efficient Cummins 430 twin diesels and offers bow and stern thrusters and docking on demand for effortless docking. Down below she has an entertainment center, ice maker, large refrigerator, and reclining sofas. She has two private cabins, each with their own head and shower. She also has three flat screen TV's with DirecTV, generator, air conditioning and heating. This beauty is perfect for your Christmas Holiday adventure!

Newport Beach

Polar 23

A real gem of a boat with a planing hull that handles well in rough water and maintains great fuel efficiency. She has a range of 300 - 400 miles to take you anywhere quickly and comfortably.

The cabin is decked out with a refrigerator, stove, head, fresh water sink, tackle drawers, and lots of cockpit space for fishing, or convert the cockpit to entertain guests with ample seating for a fun ride!

Redondo Beach

Sea Ray 320 Sundancer

Designed for an unforgettable boating experience whether you are on a mooring in a peaceful cove, racing across the bay, relaxing to a peaceful sunset, entertaining guests on the water or dockside, visiting the Islands, or an extended cruise.

She is powered by twin gasoline engines, which drive the yacht at a fast and comfortable speed, with all electric engine hatches and fully equipped electronics.

Below she includes a flat screen TV, DVD player, electric head and shower, a great stereo system, refrigeration, and a round lounge seating area with a table in the cockpit.

Check back for future additions to our powerboat fleet!
